**Dust Control Policy**

I \_\_\_\_\_ (Ratepayer) of \_\_\_\_\_  
do hereby make application to place dust control to

\_\_\_\_\_  
(Legal land Location)

The road adjacent to my yard site in accordance with the Dust Control Policy (Resolution #203/22) to place environmentally friendly dust control down at Ratepayers own expense.

I accept and acknowledge the following (**Please initial each point**):

- The RM of Meeting Lake No. 466 will do our best to prepare the land location before application, but this will be subject to availability and proper notice. Preparation of the site can't be guaranteed. \_\_\_\_\_
- The RM of Meeting Lake No. 466 reserves the right to maintain the rural municipalities' road in accordance with policy and legislated requirements. Although the applicant is paying for the treatment of the dust control on the roadway, they bear no right to the product once it is applied to the roadway and the Municipality will not accept liability for any restoration if required. \_\_\_\_\_
- In accordance with the policy and legislation noted above, the Rural Municipality of Meeting Lake No. 466 may grade/maintain the roadway including the portion applied with dust control without notice to the applicant. \_\_\_\_\_

Signed this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_.
